**SHOPPERS:** Dickory Dock can choose your clothes

## Help with busy lives

**BUSINESSWOMAN** Mariella MacLeod has formed a company that's not just for Christmas – it's for life.

Dickory Dock Ltd offers what is rather grandly described as a flexible lifestyle management service but in reality Mariella and her team are “can do” organisers.

They'll find you a new house, arrange a social event, organise personal shopping, fix you up with a holiday, handle household repairs and even run errands.

Smaller jobs include booking restaurants or checking houseplants while you are away.

Mariella, originally

from Malta, and with 18 years' experience in sales, IT and administration, said: “Life today can be complex. We work some of the longest hours in Europe, and as a result there sometimes aren't enough hours in the day: when you do get some free time, your to-do list is waiting for you. That's where where Dickory Dock comes in – there is no job too big or too small, and we pride ourselves in our approach and confidentiality.

“Dickory Dock is the secret weapon people need in their busy lives.”
