DON'T LET THE RUN UP TO THE FESTIVE SEASON STRESS YOU OUT

Let Dickory Dock, the personal concierge and lifestyle management company, help you to make more of your time. An affordable service that will meet both your needs and your budget, our time comes at a fixed and very reasonable price.

Our philosophy is that there is no job either too small or too big: finding or buying that hard to find present, decorating the house, uploading a new iPod with all of your best tunes, organising a holiday break that you're really in need of... and so much more!

*Our service is confidential and discreet.
We're a friendly bunch and happy to work
with you to make the most of your time...

Gift Vouchers Available

What better gift than giving someone the time and freedom to do whatever they want to do?

Our gift vouchers come in a variety of packages to suit all needs and budgets.

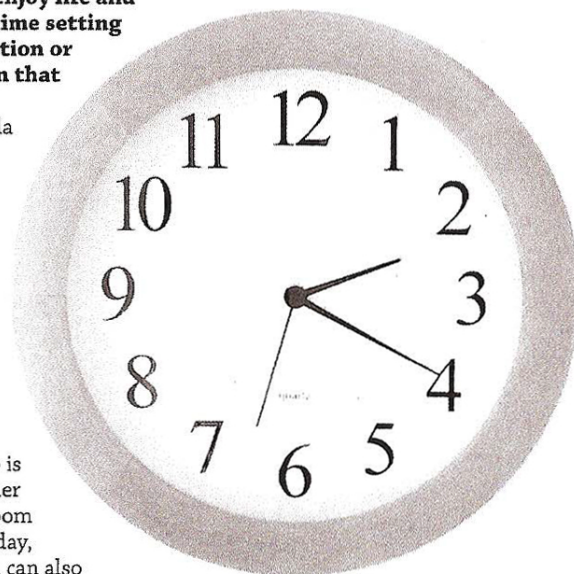

Let Dickory Dock take the strain out of your 'to do' list!

We all complain that life is getting busier and it is difficult to strike a work/life balance. The pressure of trying to fit in too many things can be overwhelming; we all want to take a day off work to be with family and friends and to relax and enjoy life and not spend that precious time setting up the broadband connection or looking for a tree surgeon that we can rely on.

Based in Bearsden, Mariella MacLeod set up Dickory Dock in 2005, providing a discreet, professional and confidential Lifestyle Management & Concierge Service bringing you the help and assistance you've been looking for.

Available on both a personal and corporate level and offering practical as well as innovative, responsive solutions, no job is too big or too small – whether it's decorating your living room or booking your dream holiday, Dickory Dock can help. You can also be rest assured that confidentiality and security are at the heart of our service offering, making Dickory Dock a safe and dependable choice. We are also members of the International Concierge & Errand Association as part of our continuing efforts to offer our clients the very highest class of service.

To find out how Dickory Dock can turn your "to-do" list into a "wish" list, please call Mariella MacLeod on 07766 425 775 for a free consultation. Gift vouchers are also available.
